Substance of Interview

(For each issue discussed, provide a detailed description and indicate if agreement was reached. Some topics may include: identification or clarification of a reference or a portion thereof, claim interpretation, proposed amendments, arguments of any applied references etc...)

Thomas Wiseman agreed to cancel all withdrawn claims, specifically claims 1-22 and 26-41, as they were non-elected without traverse. Thomas also agreed to an examiner's amendment to replace the structure in Formula (3) for that of the originally filed claim 8 as it provides more clarity than the currently claimed structure of instant claim 23.

Applicant recodation instructions: It is not necessary for applicant to provide a separate record of the substance of interview.

Examiner recodation instructions: Examiners must summarize the substance of any interview of record. A complete and proper recodation of the substance of an interview should include the items listed in MPEP 713.04 for complete and proper recodation including the identification of the general thrust of each argument or issue discussed, a general indication of any other pertinent matters discussed regarding patentability and the general results or outcome of the interview, to include an indication as to whether or not agreement was reached on the issues raised.
